

CSC

Columbia Statistics Club

Dear CSC members,

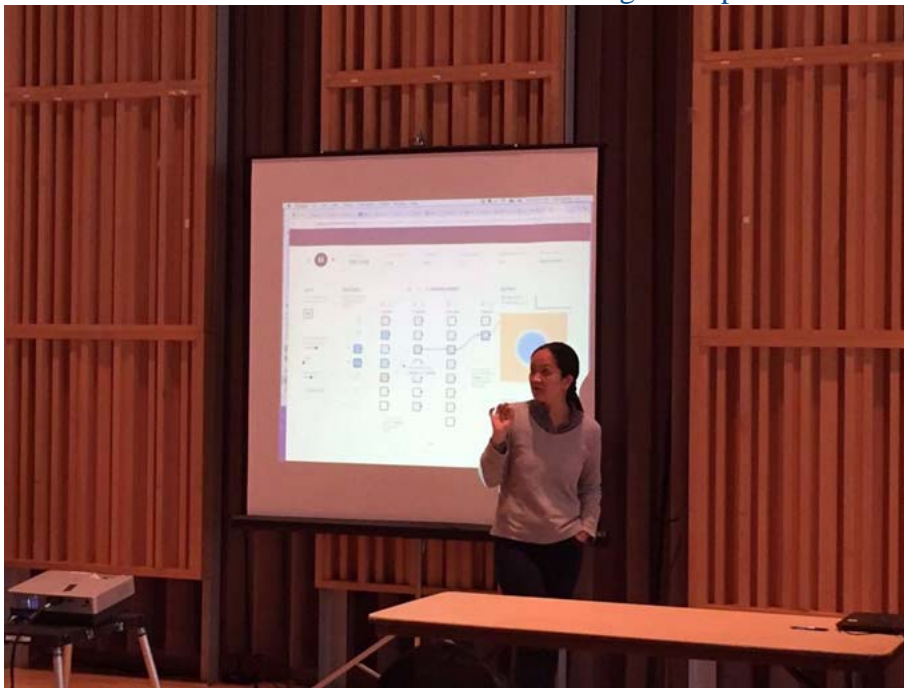

Last weekend, Columbia Statistics Club successfully held the StatFest 2016. A series of lectures were given by distinguished guests during the two-day's Hackathon.

Five teams joined in the Hackathon. The two winning teams were: [Tetris](#) and [Sun](#).

Thanks all participants. Thanks all speakers and judges.

Dr. Neda Afsarmanesh: [Accessible statistics for general public](#)"

Professor Tian Zheng: ["Illustrating concepts using Shiny dashboard"](#)

Professor Joyce Robbins: "Effective visual communication for dashboard"

Dr. Trevor Butterworth: "Communicating statistics to general public: dos and don'ts"

Winning Team: Tetris

Winning Team: Sun

All the Best,
CSC Executive Board
